On the cover

A gift from the Shaffer family, the Daughters of Odessa were made by famed American sculptor Frederick E. Hart in 1998. They are displayed in the Dee and Rennick Andreoli Courtyard on the west side of the new patient tower on the Summa Health System — Akron Campus.

The daughters of Russian Czar Nicolas II were slain with the rest of their family in Odessa during the Russian Revolution in 1918. To learn more about the sculptures and other works in the Summa Health Healing Arts Program, visit summahealth.org/art.

THANK YOU

CHARLES DEERING LEGACY SOCIETY

The Charles Deering Legacy Society recognizes and celebrates individuals and families who create deferred gifts by including Summa Health in their wills or estate plans and those who have arranged an endowment gift of \$50,000 or more. These distinguished leaders had the forethought and vision to plan for the future with a gift that will live on in support of the mission of Summa Health to provide the highest quality, compassionate care to our patients and contribute to a healthier community.
