Updated 2/11/2021

Amounts Generally Billed

Medina Surgery Center provides financial assistance to patients meeting eligibility criteria outlined in the Financial Assistance Policy. After the patient's account is reduced by the financial assistance adjustment based upon the policy, the patient/guarantor is responsible for the remained of their outstanding bill, which shall be no more than the amount generally billed to individuals who have insurance coverage. Medina Surgery Center determined the amount generally billed using the look-back method based on claims allowed by Medicare fee-for-service during a 12-month rolling period. The amount generally billed is 13% of gross charges.
